FOR IMMEDIATE RELEASE

Ontario Welcomes Mortgage Company Alpine Mortgage Planning Opens Full Service Operation

Ontario, CA - Alpine Mortgage Planning (AMP), a Division of Pinnacle Capital Mortgage Corporation, is proud to announce the opening of its 4th Southern California branch. Serving the Ontario area with top producing mortgage advisors and in-house underwriting, processing, document drawing, and marketing. AMP provides an exceptional foundation for Realtors and mortgage professionals to advance in the industry.

AMP was founded to educate first time home buyers on the benefits of becoming a new home owner and how to plan for the future. Our mortgage advisors work with each client to ensure that financial goals are made and expectations are exceeded. In congruence with individual client planning, AMP aims to build and maintain strong relationships with Realtors, the surrounding community, and local businesses through first time home buyer classes, happy hour events, and charitable contributions to several different programs.

"My partner, Marlene Hoover, and I are proud to open our new Ontario branch and bring Alpine Mortgage Planning to the Inland Empire. We look forward to our team providing the best in home loan services to the communities of the area. We've built a strong team of 18 mortgage professionals in just a few short months and we will continue to grow. Our Alpine Core Values of Teamwork, Empowerment, Positivity, and Excellence will continue to attract the best in the business as we grow. We're anticipating a great response from our clients as we help them with one of the most important decisions of their lives," states Brett Reichel, branch manager.

The 5,667 sq. ft. office will house the areas top producing mortgage advisors and full-time underwriters, processors, and document drawers. Additionally, AMP's in-house marketing department provides all written, print, and digital materials. AMP is always seeking driven and motivated professionals who are looking to advance in the industry and assist in educating the public on the most responsible ways to plan for the future.

Alpine Mortgage Planning is a Division of Pinnacle Capital Mortgage Corporation, headquartered in Roseville, California with branches located throughout California, Oregon, Washington, Nevada, and Idaho.

Alpine Mortgage Planning was founded to assist individuals and families with the integration of the home loan into their overall short and long term financial goals and cash flow objectives. Our advisors provide valuable professional advice combined with exceptional customer service to exceed your needs and expectations. One of the many ways we provide value to our clients is through the implementation of an individualized mortgage solution complete with annual reviews to guarantee beneficial results.
