AMP is a progressive retail direct mortgage bank lender with the capacity to also broker loans. AMP continues to grow, propelled by repeat and referral business driven by clients who appreciate the company's range of products and its commitment to providing responsive client care. AMP was founded to educate first-time homebuyers on the benefits of homeownership and how to plan for the future. Our mortgage advisors work with each client to make sure that financial goals are made and expectations exceeded. In congruence with individual client planning, AMP aims to build and maintain strong relationships with our partners, the surrounding community, and local businesses through first-time homebuyer seminars, partner lunch-and-learns, and charitable contributions to several different organizations.

John J. Reed will be leading the way in our new Newport Beach branch, along with Robert Fair, as sales manager and Leann Guggenmos, operations manager. The new 7,582 sq. ft. branch resides in the beautiful Bayview Corporate Center, overlooking the Back Bay of Newport Beach. "The office attracts consumers and real estate professionals who seek to work with motivated and knowledgeable mortgage advisors. AMP is always seeking to hire driven and motivated mortgage professionals who are looking to advance in the industry and assist in educating the public on the most responsible ways to plan for the future," states John J.
